- Whitbread Group PLC (the promoter) processes your personal data in connection with the competition for the purposes of administering and managing the competition (which includes contacting the winner and runners-up about their prizes). The name and address of the winner is shared with Aardman Animations, Ltd in order that it can send the prize to the winner. This processing is in order to fulfil a contract or take steps linked to a contract (and if it isn't provided, you may not be able to enter into, or the promoter may not be able to fulfil, the contract).
- The personal data is shared with Engage Interactive Ltd, the agency which the promoter has appointed to manage the competition for it. This disclosure is necessary for the purposes of the promoter's legitimate interests in competition management (which are not overridden by the interests or fundamental rights and freedoms of data subjects).
- The name and county of the winner and runner up will be available to entrants upon request as required by the UK Code of Non-broadcast Advertising, Sales Promotion and Direct Marketing.

Additional information about the purposes for which the promoter processes personal data, how it is processed and data protection rights (including the right to object in circumstances) are set out in the promoter's Privacy Policy, a copy of which can be found at www.tabletable.co.uk/generic-pages/privacy-and-policy.html.
